

Take A Hike

A fun way to raise money for your local Lutheran Outdoor Ministries!

www.LRCChome.com/takeahike

Take a Hike is an opportunity to gather folks from your church for a fun day of hiking in support of camp. All that is needed is a team of volunteers to help plan and coordinate the event. Hikers get sponsors to pledge donations. Once the hike is over, the money that was raised is sent to camp to help bridge the gap between what LRCC charges for camp and what it actually costs. This is you and us partnering together and we are grateful for that.

WE PROVIDE YOU WITH:

PUBLICITY
